NINTH & MAIN STREETS INTERSECTION

DETOUR INFORMATION

During the closure of the Main & 9th Streets intersection, traffic will be two-way in the 900 block of Main. The City parking deck will be open (behind the former Spanky's building) and traffic coming out of the parking deck will turn left on Main then left on 10th Street to exit. The Wachovia parking deck will be accessed in a similar fashion, however, to enter the parking deck, traffic will proceed up 8th Street, then turn left. Traffic exiting the deck will not change, except that it will stay in the left lane until passing across 8th Street.
